

## THE FRANCENA T. HARRISON FOUNDATION TRUST

The Francena T. Harrison Foundation Trust, managed by Deutsche Bank Trust Co. in NYC, is proud to be a presenting sponsor of *Van Gogh, Manet, and Matisse: The Art of the Flower* at the Virginia Museum of Fine Arts in Richmond, Virginia.

The exhibition of exquisite French floral and botanical still life paintings from Vincent Van Gogh, Édouard Manet, Henri Matisse, Paul Cezanne, and many other French artists from the 19<sup>th</sup> century reflects fully Ms. Harrison's passion for beautiful gardens and the inspiration she drew from being an avid gardener in her lifetime.

The Francena T. Harrison Foundation Trust was established by a generous legacy gift from Mr. and Mrs. Robert and Francena T. Harrison, former residents of Richmond, Virginia. The Foundation's relationship with VMFA goes back quite a few years and the Foundation's previous support has greatly impacted the exhibition and care of VMFA's European collection as well as their ability to showcase decorative arts from around the world. The Virginia Museum of Fine Arts is proud to, once again, partner with the Francena T. Harrison Foundation Trust to present world class works of art to the citizens of Virginia- and beyond.
