

## Supply List for Paper Mâche Masks!

- Masking tape - 1 roll (3/4" or 1") Scotch is my preferred, but any will do.
- Roll of aluminum foil (Dollar Store kind is perfect)
- Acrylic paint (craft paint is fine, any kind. I will have some to share, but if you need specific colors, bring them!)
- Paint brushes ( I have lots to share, but feel free to bring your own favorites)

If you want to come to class with some mask ideas, this is a great resource for different styles and varieties:

<https://masksoftheworld.com/>

Looking forward to seeing you in class!
