

Artists are inspired by the world around them.
Now it's your turn to be the artist! Explore the galleries to
find works that inspire you!

Most artists spend time sketching their inspirations. Find a work of art that inspires you and sketch it. You can sketch the entire work, zoom in on a detail, or imagine what happens next in the work of art.

Keep it up!

Use your inspiration pieces to create an original work of art!

Make your own museum!

You can't take objects in the museum with you when you leave, of course, but if you could choose a few pieces, what would they be? Be sure to visit different galleries and sketch your favorites. Stand this brochure up to create your own gallery!
