

Visual Arts Fellowships

VIRGINIA MUSEUM OF FINE ARTS | 2016–2017

VMFA is committed to supporting Virginia's professional artists and art students who demonstrate exceptional creative ability in their chosen fields. To this end, VMFA awards fellowships to professional artists, graduate and undergraduate art students, graduate art history students, and college-bound high school seniors.

Having awarded more than \$5 million in fellowships, thanks to endowment earnings and private contributions, VMFA is a vital source of funding for the visual arts in Virginia.

VMFA is now accepting applications for the following 2016–17 fellowships:

- \$8,000 Professional
- \$6,000 Graduate
- \$4,000 Undergraduate

Professional artists, graduate and undergraduate art students, graduate art history students, and college-bound high school seniors may apply.

The deadline is November 6, 2015.

Visit www.VMFA.museum/Fellowships where you will find details about eligibility criteria and an application.
