

Visual Arts Fellowships

Recipients and Works Submitted | 2007–2016

VIRGINIA MUSEUM OF FINE ARTS

THE HISTORY

VMFA's Visual Arts Fellowship program is a vital source of funding for the visual arts and art history in Virginia. Committed to supporting professional artists as well as art students who demonstrate exceptional creative ability in their chosen disciplines, VMFA has awarded nearly \$5.5 million to over 1,250 Virginians to date.

VMFA's fellowship program was established in 1940 through a generous contribution by the late John Lee Pratt of Fredericksburg. Awarded annually through the VMFA Art and Education Division, VMFA fellowships are still largely funded through the Pratt endowment and are supplemented by annual gifts from the Lettie Pate Whitehead Foundation and the J. Warwick McClintic Jr. Scholarship Fund.

Each of the professional artists, graduate students, and undergraduate students included in this publication was selected to receive a VMFA fellowship by independent jurors in an anonymous adjudication process.

For more information on this annual grant competition, please visit www.VMFA.museum/Fellowships, or contact:
