Day 1: Depart U.S. for Tokyo, Japan

Day 2: Arrive Tokyo After arriving in Japan's financial, commercial, and political capital this evening, we transfer to our hotel where we learn about the journey ahead at a briefing with our Odysseys Unlimited Tour Director.

Day 3: Tokyo We spend the morning touring this amazing city that comprises 23 wards and covers a staggering 840 miles. We focus on a smaller area as we visit some of Tokyo's top sights, including Shinto Meiji Shrine, a peaceful enclave of temples and gardens; and historic Imperial Palace, surrounded by moats and ramparts, and home of the Imperial Family. Next we visit Tokyo's oldest temple, Buddhist Asakusa Kannon, followed by the Nakamise Shopping arcade. This afternoon is at leisure; tonight we enjoy a welcome dinner at a local restaurant. **B,D**

Day 4: Tokyo Our day begins with a motor-coach tour of Ginza, Tokyo's famed shopping, dining, and entertainment district boasting the most expensive real estate in all of Japan. We visit the gallery of preeminent calligrapher Koshun Masunaga, where we learn about this ancient art and browse the collection. Later we will continue our cultural education in Tokyo with visits to the Museum of Western Art and the Tokyo National Museum. **B**

Day 5: Tokyo/Mt. Fuji-Hakone-Izu National Park/Suwa Japan's pastoral side is on tap as we leave Tokyo for Mt. Fuji-Hakone-Izu National Park. Here sits imposing Mt. Fuji, a dormant volcano (it last erupted in 1707) with a perfectly symmetrical cone that rises to 12,388 feet. The mountain's majesty is breathtaking, as artists and writers have attested for centuries. We take a coach ride where, weather permitting, we'll enjoy

breathhtaking panoramic views; then we descend for a relaxing cruise on scenic Ashi Lake. Leaving the park, we travel to the town of Suwa where we spend the night at a *ryokan*, a traditional Japanese inn where we take off our shoes upon entering and sleep on a futon. **B,D**

Day 6: Suwa/Takayama Today we travel to lovely Takayama in the Japanese Alps, considered one of the country's most attractive towns with its 16th-century castle and old-style buildings. Our explorations center on three narrow streets in the San-machi-suji district where, in feudal times, merchants lived amidst the authentically preserved small inns, teahouses, and sake breweries that we see here. We enjoy a sake tasting then have free time to visit local shops that sell the region's unique lacquerware and yew carvings. **B,D**

Day 7: Takayama/Shirakawago/Kanazawa We pay an early visit to the riverside Miyagawa Morning Market selling flowers, fruit, and vegetables, a blaze of dazzling colors and exotic foodstuffs. Then we leave Takayama for the UNESCO World Heritage site of Shirakawago Gassho-zukuri Village. Comprising buildings relocated from authentic villages nearby that were razed for a dam, the village is also a vibrant community whose residents work together to preserve the unique traditional architecture here known as Gassho style. Next we visit that dam — Miboro — the largest dam constructed using “rock-fill technology” of stones and clay. Late afternoon we reach the castle town of Kanazawa, an alluring coastal city that survived the ravages of World War II. **B,L**

Day 8: Kanazawa Today's tour of this culturally-rich city features renowned Kenrokuen Garden,

a national landmark whose origins date to 1676. We also see Ishikawa Gate, the only remaining section of the town's original castle; Hakukokan, a museum celebrating the art and craft of gold leaf technology; and the Higashi Chayagai teahouse and geisha area. Our last stop is the Nagamachi Samurai district, where the ruling family's *samurai* warriors lived. **B,D**

Day 9: Kanazawa/Kyoto This morning we visit the Kutani Ceramics Museum celebrating this quintessential Japanese art form; and the
