VIRGINIA MUSEUM OF FINE ARTS

Dear Friends,

As splendid fall foliage appears in 2022, you're invited to join the Virginia Museum of Fine Arts on an art-focused trip to New York's historic Hudson Valley. Just a short drive from Manhattan, experience dramatic river vistas, marvelous food and wine, gorgeous gardens, and charming villages. Over four nights, enjoy a behind-the-scenes look at the Hudson Valley's most extraordinary art collections, and admire the private estates of American dynasties.

Begin with exclusive tours of extraordinary 19th-century homes, including the sumptuous 1851 villa of artist and inventor Samuel F. B. Morse. On a private tour in Hyde Park, explore the Vanderbilts' Gilded Age mansion, which houses vast collections of art masterworks and ancient treasures. Nearby, join a curator for an exclusive inside look at Springwood, President Franklin Delano Roosevelt's birthplace and lifelong home.

In the mid-19th century, America's first major art movement, the Hudson River School of artists, emerged in this region. Marvel at the eclectic homes and private collections these artists left behind. With a curator, explore the landscape paintings of Frederic Edwin Church within his exotic former residence, Olana, and tour the art-filled home and studio of Hudson River School founder Thomas Cole.

Then, discover why this region has evolved into a showcase of contemporary American art. Take an expert-guided tour of the Storm King Art Center, whose outdoor installations include works by Alexander Calder, Mark di Suvero, and Richard Serra. A wonderful highlight will be a private, curator-led tour of Kykuit, home to generations of the Rockefeller family, featuring Nelson Rockefeller's collection of modern sculptures.

I hope you join us on this exciting exploration of art, history, and landscapes amid the colorful fall foliage of the Hudson Valley.

With warm regards,

Adele "Hutch" Livingston
