Corporate Membership

Becoming a corporate member is more than philanthropy; it's a strategic investment. Membership is a powerful tool that enables you to:

- **Distinguish your brand** in an evolving marketplace.
- **Connect with the museum's patrons.**
- **Attract talented employees** and cultivate creative leadership.
- **Build client relationships** at private events set against the backdrop of VMFA's stunning architecture, permanent collection and blockbuster exhibitions.

VMFA's corporate members provide vital annual funding to ensure that admission to the permanent collection remains free and that the museum is open 365 days a year. Your generosity supports every aspect of VMFA's mission to enrich the lives of all Virginians through the arts: special exhibitions, digital outreach, and educational programming across the Commonwealth. With your investment, VMFA will remain one of the region's leading cultural destinations.

Support VMFA

Your membership dues provide vital funding for educational programs, exhibitions, art conservation, and the daily operating expenses that allow VMFA to remain free and open 365 days a year.
