

Create a Personal Narrative

You have explored several narrative artworks and the stories they express. Now it is time to write your own narrative!

Choose an Idea. Choose a prompt from the following list or use your own idea! Your story should be related to a personal experience. You will be creating an artwork based on your story after you have finished writing.

Story Prompts:

- A challenge you faced
- A personal achievement
- A conflict you experienced
- An adventure you had
- A special trip or vacation
- A competition
- A big change in your life

My story will be about:

Write your story! On a separate piece of paper, write your story. Consider the following questions:

- Who is the *protagonist*, or main character? Is there an *antagonist*, or an opponent or challenge? Who are the supporting characters?
- Is there a conflict?
- What is the setting?
- What happens at the beginning? Middle? How does it end?
- What emotions are felt or expressed in your story?
- What did you learn from the experience?
- What made this story important or special to you?
